

EASTERN LOS ANGELES
REGIONAL CENTER

ELARC U: A Learning Community

Public Meeting

National Core Indicators (NCI)

The National Core Indicators (NCI) is a survey that is used by many states to assess the outcomes of services provided to individuals with developmental disabilities and their families. Questions (called indicators) address key areas of concern including employment, rights, service planning, community inclusion, choice, and health and safety.

October 13, 2020

6:00 pm—8:00 pm

During the Board of Directors meeting

Eastern Los Angeles Regional Center will be presenting on the latest results of the National Core Indicators (NCI) Adult In-Person Survey. Please join us to learn about the information gathered.

Interpretation in Spanish, Cantonese, Mandarin and Vietnamese will be available.
If you have any questions please contact Roxy Ortiz at (626) 299-4817 or rortiz@elarc.org
