PCT Trainer Candidate

- Participants will develop skills in person centered thinking through a series of discussions, applied stories, and guided activities.
- Vendors completing this training will be noted as a vendor who practices Person Centered Planning approaches

**Cost
FREE
for both days**

Participants must attend both days and provide completed skills to trainer in order to receive a certificate

2 day training will be held remotely via Zoom

PRE-REGISTRATION REQUIRED

Attendance is limited to 15 participants. The virtual training will be conducted via Zoom. This is an interactive training. Therefore, we ask that registrants participate via laptop or technology that allows for full participation with video camera and microphones on in order to create an environment that enables group work and discussion. The training will also require completion of skills to be turned into the trainer prior to receiving a certificate of attendance. For further information, contact Eren Perez at eperez@elarc.org.
