

ELARC CONSUMER HANG OUT

ELARC's Consumer Advocate, Jesse Padilla, would like to invite adult Individuals we serve to a consumer Hang Out. He would like to check in with you through Go To Meeting and will facilitate a discussion on how you are coping with the coronavirus pandemic. Let's hangout together as we go through these unusual and difficult times. (We are in this together).

This is intended for adult consumers.

We are doing the hangout a little different this year as it will now be held monthly.
