Service Provider Check In COVID-19 Updates and More

**Come Join in the Discussion on July 9, 2021
from 1:30 pm to 2:30 pm via ZOOM**

As our community begins to re-emerge and re-engage, we still have questions and items to discuss regarding COVID – 19. The Department of Developmental Services (DDS) may continue to update existing and release new directives. Additionally, State and Local Public Health Guidance's continue to be updated. Because information is still developing and crucial at this time of transition, ELARC invites all service providers to join in this discussion in order to stay informed and work together.
