

Service Providers Institute

MEDICATIONS:

PURPOSES, INTERACTIONS & CURRENT TRENDS

Training will cover an in-depth review of medications commonly prescribed for consumers, such as anti-seizure medications and psychotropics. We strongly encourage community care facilities, day programs, SLS administrators and direct care professionals to attend this informative training. Training will be presented by members of The ELARC Clinical Team.

Tuesday
July 20, 2021
9:00 a.m.-12:00 p.m.

Fee: No Cost

Due to Public Health Guidelines, this training will be provided virtually via GoTo Meeting.

PRE-REGISTRATION REQUIRED

Submit registration form to Eren Perez @ eperez@elarc.org

Once registration is received you will receive a confirmation email that will include the GoTo Meeting link.
