The National Core Indicators (NCI) is a survey that is used by many states to assess the outcomes of services provided to individuals with developmental disabilities and their families. Questions (called indicators) address key areas of concern.

Eastern Los Angeles Regional Center will be presenting on the latest results of the NCI Child-Family Survey. Please join us to learn about how we can provide support for the individuals we serve and their families.

Here is the link to the full survey: https://www.dds.ca.gov/wp-content/uploads/2021/05/EastLosAngeles_RegionalCenterReport_CFS1819.pdf

Interpretation in Spanish, Cantonese, Mandarin, and Vietnamese will be provided. If you require interpretation in a different language please contact Lydia Goay at (626) 299-4847.

If you have any questions please contact Roxy Ortiz at rortiz@elarc.org or (626) 299-4817
