I've been working at EL ARCA, INC. since 2014. I have had the opportunity to work at both facilities located at Los Angeles and Bell. Through out the years I have had the opportunity to grow at EL ARCA in different job positions such as kitchen coordinator, Front desk/administration, accounting dept, supervisor and now my current position Program Director.

In 2019, I obtained my Bachelor's Degree in Organizational and Corporate Communication from the University of Texas- El Paso (UTEP). My main focus as a Program Director is making sure that the individuals who have developmental disabilities have the support to enable them to achieve their optimum functional and cognitive levels in order to achieve the greatest quality of life possible.

I am honored to accept the nomination for secretary for ELARC's VAC Committee.
