***Is life not going the way you want?
Take the first step to reaching your dream by joining us for
a discussion on Person Centered Planning.***

Person-centered planning is about one's future and reaching their goals. The process should be driven by the person and reflect what is Important to and for that person. Person-centered planning can include other people, such as family or friends, only if one chooses to include them in the process.

Due to the CA State of Emergency declaration we will continue to have these meetings virtually by Zoom
