Service Provider Updates

DDS Releases Updated Guidance on Alternative Services Reporting

[Read the complete 1/27/2021 Department of Developmental Services DDS Guidance here.](#) For the reporting required for January 2021 and continuing until further guidance, by the fifth business day of each month, providers must submit a report for the prior month for each vendorization delivering Alternative Services using SurveyMonkey. The survey may be accessed at: <https://www.surveymonkey.com/r/2021AlternativeServicesReporting>

Please note, once a survey is started it cannot be withdrawn or edited at a later time. Providers may request to have an incomplete survey deleted by contacting DDSC19Directives@dds.ca.gov. The request must include the program name, vendor number, service code, and specify which reporting month needs to be deleted.

Today! Town-Hall on COVID Vaccines for People with Disabilities

COVID-19 vaccinations are starting, but most people with disabilities are not prioritized to get them, even when they have known risk factors. Many people served by regional centers are not able to access the vaccinations they need. The Association of Regional Center Agencies (ARCA) and the regional centers are working with community partners to help fix this, but your voice needs to be heard by key decision-makers.

Please join this town hall today, Wednesday the 27th from 4:30 pm-6:30pm for a [town hall to advocate for COVID vaccines](#) for people with disabilities! This webinar is co-sponsored by ARCA, Disability Voices United, the State Council on Developmental Disabilities, and Disability Rights California. [Registration is required.](#)

[Click HERE to register for the Town Hall on Wednesday at 4:30 PM PT](#)

Check In Continues

As COVID – 19 continues to affect everyone’s lives, the

Department of Developmental Services (DDS) continues to support innovative and creative approaches to service delivery in response to changing needs and priorities of those served by the Regional Centers. DDS continues to provide information and training on Alternative Services as well as continues to update existing and release new directives at this time. Additionally, State and Local Public Health Guidances are updated frequently, including information about testing and vaccine distribution. Because information is still developing ELARC invites all service providers to join in this weekly discussion in order to stay informed and work together.
