**Ever wonder what should a Person
Centered Plan look like? What should
be included in a Person Centered Plan?**

**In this workshop, you will learn about:
Why person centered plans matter and the
basic elements of all person centered plans**

Person-centered planning is about one's
future and reaching their goals. The process
should be driven by the person and reflects
what is Important to and for that person.
Person-centered planning can include other
people, such as family or friends, only if one
chooses to include them in the process.

**For ELARC
Families and
Vendors**
