

Fiscal Year 21/22 Self-Determination Implementation Funds

Project	Summary	Scores*	Recommendation	Amount
Autism Society of Los Angeles (ASLA)	Recruitment and training of IFs in languages other than English	39.25	Fully fund the ASLA proposal because there is an emergent need for more IFs that speak Spanish and Chinese AND are familiar with our community. ASLA refined their proposal to ensure a minimum 15 individuals to a maximum of 60 individuals from the ELARC community will be targeted for attendance at and completion of the training and that at least four IF certification trainings will be completed.	\$42,000
Ochoa's Consulting	Parent Coaching Project focusing on monolingual Spanish Speaking parents. Will provide one on one technical assistance, pair them with an IF, coach on development of PCP and Spending Plan	38.75	Reduce the requested funding from \$83,136. In order to achieve this, Ms. Ochoa will be advised to reduce the target number of participants for coaching from 80 to 30 (15 per year)	\$47,760
			Total	\$89,760

*Minimum required score is 70% of total possible points of 48 which is **33.6**
