Grant Funded Social Recreational Resources Are Available Now!

Recently the Department of Developmental Services (DDS) awarded \$12.5 million for social recreational grants. The grants have funded projects that will enhance and develop integrated and inclusive social and recreational programs for families, children, and adolescents served by Regional Centers in diverse communities. ELARC has partnered with the following community entities that provide social and recreational programs to implement approved grant projects. **These programs are FREE and available now. Organizations may be contacted directly but please do also contact your Service Coordinator for support and more information.**
