Niños sordos y con problemas de audición

La YMCA de West San Gabriel Valley ofrecerá lecciones de natación para salvar vidas a los niños sordos y con problemas de audición (DHH) integrándolos a ellos y a sus hermanos en nuestro programa de lecciones de natación de los sábados.

- Niños de 2,5 años a 13 años
- Clases de natación de 50 minutos/4 veces al mes los sábados por la mañana

- Children 2.5 years of age to 13 years old
- American Sign Language interpreters
- 50 minute Swim Lessons/4 times a month on Saturday mornings
- Instructors: American Red Cross Certified Lifesaving, First Aid/AED trained.
- The Swim Angelfish methodology: encompasses areas of focus and strategies for overcoming roadblocks with Autism, anxiety, motor issues, physical and sensory delays, discomfort, and trauma.
- Licensed Occupational Therapists will provide an internal audit to ensure the needs of the children are being met.
- Our inclusive swim lessons will allow DHH children and their siblings to develop friendships by participating in this integrated program.
- While SAFETY AROUND WATER has been a mission for YMCAs throughout California for over a decade, our goal is to help incorporate this mission into a space that can reach children and their families by offering them a comprehensive and progressive swim lesson program developed around our SAFETY AROUND WATER mission.
