

We're Hiring Regional Center Clients!

Aveanna Support Services has been awarded a grant to expand our ongoing efforts and commitment to employment of individuals with intellectual and developmental disabilities (I/DD). We're partnering with select regional centers to conduct a remote customer care pilot program.

If you or a loved one with I/DD are clients of the Eastern Los Angeles, San Andreas, Valley Mountain, or Westside Regional Centers and are interested in a position giving remote customer care, visit aveannasupportservices.com/jobs for more information.

Special thanks to the California Department of Developmental Services (DDS) for providing initial funding for this collaboration and for continuing to invest in our communities.

Join our team and grow with us!
