

HCBS: Maintaining Your Compliance

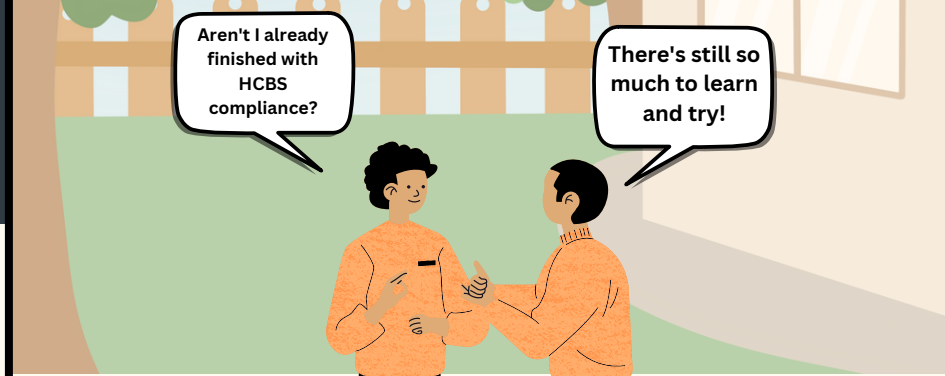

OCTOBER 11TH
NOVEMBER 14TH

11:00AM - 2:30PM

An online clinic to support providers with
HCBS compliance and implementation.

RSVP to Laiza Valdovinos at lvaldovinos@elarc.org with your name, email address, organization name, and the date you would like to attend.

- Remediation and Validation dates may have passed, but HCBS compliance is never ending.
- Service providers are expected to continuously improve and maintain compliance with federal requirements, ensuring they are closely aligned with the principles of HCBS.
- There is still more you can do to be prepared, from updating policies and optimizing documentation to putting paper to practice with effective implementation.

Join us to learn more about what you can do to ensure continued compliance!
