

Joel Moreno is the Business Development Manager for the Regional Center Business line at Maxim Healthcare's Alhambra Branch Office. Joel leads a team of Recruiters and Client Coordinators that deliver Respite and Personal Assistance services to ELARCs catchment areas. In addition, Joel currently serves on the ELARC Vendor Advisory Committee Leadership as the Chair. Joel started his ELARC VAC participation as the Secretary, serving from 2019 to 2021, moving on to the Vice Chair in 2022 to January 2023, then acting Chair February 2023 to present. He strives to maintain strong relationships with consumers, their families, Service Coordinators, and the community to provide for the needs and aspirations of people with developmental disabilities. Joel is UCLA Alumni, enjoys to play bass in a jazz rock band, and spend time traveling with friends and family.
