

BUTTERFLI ASSISTED RIDES FOR COUNCIL DISTRICT 14

THANKS TO COUNCILMEMBER KEVIN DE LEON!

Councilmember Kevin de Leon is pleased to announce a subsidized assisted ride service dedicated to serving the 14th District!

WAVLink is funded by a pilot grant from CD14 to the US Green Building Council-LA, partnering with FASTLinkDTLA's Transportation Management Organization (TMO) to provide assisted rides.

The service is operated by ButterFLi Technologies, offering on-demand & scheduled assisted ride service.
