## Families Taking Action with HCBS

The Home and Community-Based Services (HCBS) Settings Rule Requirements went into effect in March 2023. It changes some rules about important rights for individuals who receive developmental services. Some of these services are called day programs/services, employment supports, and group residential services/group homes. If you or someone in your home receives these types of services, come to this training to learn:

- ◆ Why things are changing? ◆ How do you feel about the changes? ◆
  - ◆ What exactly is changing? ◆ What do you expect to see? ◆
  - ◆ How to work with the provider to see these changes in action? ◆
