

ELARC Coordinated Proposed FY 2015-16 Closure Calendar

Prior to the statute regulated Uniform Holiday Schedule (in effect August 2009 through February 2015) ELARC had implemented an expenditure plan objective to have vendor agreed upon holiday closure days. The objective specified 12 days per year that all ELARC funded *adult day and transportation services** would be closed. The DRAFT Proposed Closure dates that fall during the next Fiscal Year twelve months, from July 2015 through June 2016 are listed below:

ELARC has posted a link to survey monkey on the ELARC website to receive input from ELARC stakeholders (consumers, family members, vendors, regional centers) about the above proposed schedule for closure dates. Input from the Adult Day Services vendors in collaboration with the Transportation vendors of the Vendor Advisory Committee will be included in the final schedule. The proposed 12 holiday closures for 2015-16 are drafted from the 2009-10 calendar submitted by the Vendor Advisory Committee in April 2009 with 2 less days of closure. We are sharing this information with stakeholders to allow them time to work in collaboration with each other including neighboring regional centers.

**This proposed coordinated Closure Calendar applies only to the vendor service codes (5) listed on the reverse side of this page. However, any vendor may select the same closure schedule which allows for coordination of services with vendors and the transportation companies providing transportation to their day services. Some vendors including the listed service codes may choose to return to the original closure days approved by ELARC in their program designs.*
